

Religious Education

A list of links which can support and develop deeper learning for Religious Education in key stage 3 and 4.

General Resources for Religious Education

<http://www.bbc.co.uk/schools/gcsebitesize/re/>

The large educational website on the Internet and one of the easiest to use and to search. Search for articles from course specifically for schools

Religious Studies section of this website provides links to larger websites (such as the British Museum). You can search by age group.

www.bustedhalo.com

Endless ideas or for keeping up with current trends in religion and spirituality. I particularly love the video/podcast section – especially 'In Two Minutes' – really brilliant short clips on a variety of topics – everything from Lent to WYD explained in (you guessed it...) 2 minutes.

National Curriculum in Action has exemplar pupils' work linked to levels
