Dear Parent / Carer,

Re: Partial School Closure – Tuesday 19th July

It is with regret that I have to inform you that a safe temperature has been exceeded in 15 classrooms this afternoon, we monitored temperatures throughout the morning and this afternoon we have managed to relocate students from these classrooms. With the forecast predicting higher temperatures tomorrow we believe that there will not be enough cooler classrooms to relocate students, it has resulted in a decision to **close school early tomorrow at 12.20pm.**

Students who are entitled to free school meals can pick a grab bag up from the Restaurant at 12.20pm to take home. School will open as normal on **Wednesday 20th July.**

Thank you for your patience and understanding in these challenging times.

Yours faithfully,

Helen Tanner
Principal
