Dear Parent / Carer,

**Re: Early Closure – Yr 10**

It is with regret that I have to inform you that a safe temperature has been exceeded in 15 classrooms which cannot be remedied during the normal operation of the school on Monday 18 July. **This will result in Year 10 students being sent home immediately. This will allow us to move younger students into other rooms.**

The School's Senior Leadership Team is working with external advisors and the Site Team to make a dynamic assessment of the situation.

Due to short notice, arrangements are in place to accommodate students who need to remain for the afternoon in order to be collected. Parents should contact the school if we are not to dismiss your child for any reason.

We will be communicating with all parents later this afternoon to confirm arrangements for tomorrow. However, it is likely that the school will be further affected.

Thank you for your patience and understanding at these challenging times.

Yours faithfully,

**Helen Tanner**  
**Principal**
